OLD BUSINESS:

- No news from the State regarding matching funds.
- Stokes wheel came in early. It was put together last Tuesday. We can bring it to the dinner for the picture and presentation of the grant. The wheel is housed in the rescue. There are indicator marks to help line it up on the stroke basket. Please try it out, to get familiar with it.
- Rescue continues to start, but sporadically gives some trouble. Ben reached out to MHQ, no call back yet. We will continue to look into this.

NEW BUSINESS:

- Seletman Bremer was approached by a resident in town and wanted to know if they could use the horseshoe pits. It was discussed and at this time we will not allow the public to use the pits. Sarah Carfiro made a motion and Hannah McCaw seconded to make a sign up sheet to create a horseshoe league. If we don't get enough fire members we might consider bringing in members from the town to join. The motion passed unanimously.
- Norfolk asks us to standby as they are doing a live burn on Saturday. We will be covering until noon.
- Chief Barry will be putting in place a drinking policy. This policy will be shared soon.
- Ben Bartlett and Todd Correll will be representatives from Center on the bi-law/tax abatement committee.
